

NEW RELEASE ANNOUNCEMENT

NICKEL PLATE ROAD 40000 SERIES 40' STOCK CAR

Pre-Production Design Rendering For Reference Only
Actual Production Model May Vary

A BUFFALO CREEK GRAPHICS EXCLUSIVE • NEVER BEFORE OFFERED IN O-SCALE

Issued in a Limited Edition to Commemorate the 2010 NKPHTS Convention in Bellevue, Ohio

From its inception in the 1880s, the Nickel Plate Road generated traffic revenue by hauling livestock and dressed meat from Chicago to the East Coast by way of its connections in Buffalo. In 1922, the NKP began purchasing new stock cars to expand this business. The cars in the 40000 series were manufactured by the Illinois Car Company and would become an important part of the Nickel Plate's freight car fleet.

THESE CARS WILL FEATURE

SPECIALLY-FABRICATED T-SHAPED LETTERBOARDS AND PROTOTYPICALLY ACCURATE LETTERING & GRAPHICS

Due to the fabrication and installation of custom parts, production will be limited to no more than 75 cars.

ORDERS WILL BE ACCEPTED ON A FIRST-COME, FIRST-SERVICE BASIS UNTIL PRODUCTION RUN IS SOLD OUT

Available in Three Road Numbers in 3-Rail or 2-Rail

One Road Number Will Carry the 2010 NKPHTS Convention Designation on the B End Tackboard

PRICES:

OH104 Prototype Version (2 Road Number) \$58.00
